- Transforming creative direction and copy points from creative briefs into engaging and effective copy concepts that fulfill our clients' branding and marketing initiatives
- Partnering with copy leads and creative directors to understand direction on copy elements

### What you should have:

- 3 years or more copywriting experience in a fast-paced ad agency or marketing department
- Excellent writing skills, with an emphasis on web, digital, and ad content
- A can-do attitude, effective communication skills and the ability to work both independently and closely with a team to assist in develop compelling creative solutions
- The desire to deliver copy that works with the overall big picture, with self-motivation, time-management and multi-tasking skills as your trusty sidekicks
- The ability and desire to taker direction and continue to enhance your craft and contribution to the overall projects and team
- The ability to understand, interpret and research copy direction from creative briefs and past examples and turn it into clear, compelling copy in a distinct voice
- Excellent understanding of proper grammar, spelling, punctuation and syntax, along with editing and proofreading skills
- A Bachelor's degree in related fields, proficiency in Microsoft Word and familiarity with Microsoft Office, Adobe Creative Suite and Acrobat Pro

### What's even better?

- Experience in: B2B, food and beverage ingredients, technical writing, online content or social media

### Why ColinKurtis

When you work here, you're always in the know and part of a team, because we share the big picture and work together on the small details that make us successful. We know it takes more to make a job awesome, so we provide more than the expected. We offer competitive salaries and top-of-the-line

benefits including generous vacation time, subsidized health insurance and a 401k with up to 3% company match. You work for a reason, and that's why we take great pride in providing opportunities that benefit you and the important people in your life. CK has grown a lot in 20 years and, with more great people like you, we'll continue to grow.

If this sounds like you, send us an email and be sure to include your resume, a link to your portfolio and a few of your best writing samples.
